Jean,
I will provide a response to your question, I just need to talk with EPA's site attorney to get clarification on this issue. She has been out of the office. CAS

Carlos,

Do you consider Curt to be representing the property owner, Bud Grisham, or just a concerned citizen?

Curt,
I wanted to officially notify you that as of Monday, May 7, 2012, Stephen Tzhone is the RPM for the Arkwood site. Stephen has started to review the site files to get up to speed on the site activities. He and I will be calling you within the next two days to introduce Stephen and discuss the site issues.
